

Dear CES Parents,

On April 28th, HSO will be hosting a Colwich Elementary School Carnival and we need your help! We are making raffle baskets that will serve as a fundraiser for the school. Your student's teacher is collecting items for the raffle baskets, as designated by the themes below. Please consider donating items and send them to school with your child. In lieu of sending items, you can send \$5 instead and HSO will take care of buying the items. **The school will be collecting items and money through March 31st.**
